### **Matters Arising from Last Meeting:**

**Christmas:** Same format as last year and chamber agreed to spend £100 for baubles in conjunction with the school.

**Halloween:** The Museum of Witchcraft has various events planned and their poster detailing this will be forwarded to all members to promote. The school and businesses will be invited to carve pumpkins and place them on the river bank.

**Food Festival:** All in hand for yet another successful event. Lesley Walker has made a big impact with her help and enthusiasm which should ensure the continuation of this popular event.

**Parish Plan:** Margaret Pickering reported on the results of the questionnaire sent out, much of which were as expected with concerns about parking, toilets and signage.

Any Other Business:

The football club are up to date with their repayments.

Christopher Key will be invited to talk at 8.30pm at the **next meeting on 10 November.**

The Chamber decided not to fund the purchase of any banners to be used to promote events throughout the village.
